

Global Engagement Programs

For International High School Students

International Leadership, Enrichment, and Development

Session 1: June 8-22, 2019

Session 2: July 13-27, 2019

The University of Notre Dame invites exceptional high school students from around the world to explore the University's academic fields of study.

Program Overview

iLED is a two-week curriculum taught by Notre Dame faculty with a focus on international leadership, including courses in the College of Engineering, College of Science, Mendoza College of Business, College of Arts and Letters, and the School of Architecture.

iLED students will

- Develop an overall understanding of what is taught in Notre Dame classrooms
- Strengthen cross-cultural competency and leadership skills
- Solve problems by working in teams and collaborating as leaders with an open-mindset

Words from our iLED Alums

"It literally changed my life in a way I wouldn't have thought of! Notre Dame gave me a great impression of America, universities and the people and professors there, it's completely different than in Germany! It is beautiful there and it would be a dream of me to study on ND"

– Lion (Germany)

"I left Notre Dame a totally different person, a better one and I hope someday I can be back. I needed time to really realize that the best weeks of my life was over and I am back to my reality..."

– Julia (Brazil)

"Thank you for the most amazing two weeks of my life! iLED was a great experience and I'm looking forward to applying to Notre Dame next year."

– Shahan (India)

The University of Notre Dame, located in South Bend, Indiana (90 miles from Chicago), is consistently ranked among the top 20 universities in the United States.
